Graylingwell Chapel is a beautiful Grade II listed building in desperate need of repair. CCDT, with its partners, plan to safe-guard the chapel's heritage and redevelop, refurbish and rejuvenate the chapel into a warm, inviting, multi-purpose space that will serve the community both at Graylingwell Park and Chichester for decades to come.

Come and see the exciting proposed plans for the building and have your say. We would love to get your input and feedback.

This open house public event will be held at the chapel, Monday 13th March 12-9pm. Please drop in, tell us what you think and join us for tea and cake at any time to suit you!
